Respected Seniors & Dear Colleagues,

Wishing you all a very happy, bright & prosperous New Year. Hope you all have enjoyed your Diwali Holidays.

"Whether one moves slowly or with speed
The one who is a seeker will be a finder."

- Rumi

This year, we are coming up with a neuro update with the stalwarts of neurology from all across the country with a novel concept of "20 - 20 in Neurology" for you. As a theme, we have designed each talk of 20 minutes which covers 20 points or 20 practical tips on different subjects of neurology like vertigo, headache, stroke mimics, cardio embolic stroke, status epilepticus, paraneoplastic disorder etc. This will make the neurology update more interesting.

We have also kept 45 minutes exclusive post lunch video session of movement disorders, in view of success of last year's similar session. We also have added attraction of 20 minutes neurology quiz. So my humble request to you is that you kindly register for this grand academic feast as early as possible. As you know, we can accommodate first 250 registration only.

Looking forward to meeting you all at Hotel Courtyard by Marriott on 2nd December, 2018 at sharp 8:30 a.m.

Kindly be graceful to attend the inauguration ceremony. **Prof. Dr. Himanshu A Pandya (Hon. VC of Gujarat University)** has kindly consented to be the chief guest for the inaugural function.

On behalf of organising committee,
With warm regards,

Dr. Sudhir Shah
Organising Chairman
