

EMPA REG OUTCOME CONFLUENCE

1 year of progress with Indian experience

The Indian Perspective

Date : **March 05, 2017 Sunday**

Time : **10:00 a.m. onwards**

Venue : **Hotel Radisson Blu,
Panchvati Cross Road, Ahmedabad.**

YOU ARE INVITED!

It has been **more than a year** since we introduced Jardiance™ along with the **EMPA REG study**. The response has been phenomenal. However, being your partner in diabetes management, we aren't looking to rest on our laurels any time soon. For that purpose, we invite you to a forum where we would like to hear your experience with Jardiance™.

At the same time, there have been developments we would like to share that will only bolster your trust in the molecule.

Block your date and let's build on creating better care for your patients.
