Invitation

Respected Doctor,

Over the years DIABETES in India has undergone enormous expansion through better awareness and newer treatment options and this is specially true for T2DM.

We would like to invite you to an exclusive meeting where you will get update on CONCEPT-"CLINICAL INERTIA IN DIABETES" and "WHAT IS NEW IN DIABETES".

The concept of this meeting is spreading message and updating medical information of DIABETES, overcoming newer challenges in treatment of Diabetes.

Your suggestion and clinical expertise is most valuable for us and we are expecting your valuable presence as it will be really encouraging to organised such meetings in future.

Agenda

| <u>TIME</u> | <u>TOPIC</u> | <u>SPEAKER</u> |
|----------------|------------------------|-----------------|
| 8:30 to 9:00pm | Clinical Inertia | Dr. S P Mehta |
| 9:00 to 9:30pm | What's New In Diabetes | Dr G R Badalani |
| 9:30 to 9:45pm | Question & Answer | |

Moderator :- Dr. Rajesh Kumar
