Dear Colleagues and Friends,

Greetings from Dia Care!

I'd like to personally welcome you for the 3rd annual conference of Dia Care "DIACON 2017". It's an exciting time for Dia Care as we continue to grow and adapt, new challenges in Diabetes management

The annual conference DIACON 2017 is the premier national forum to present and discuss progress in research, development, standards, and applications of the Diabetes management.

We hope that you will enjoy the scientific programme with talks by our nationally and internationally renowned experts, debates, poster / oral sessions, and workshops.

We're transforming the way we operate to continuously improve our ability to prevent diabetes and spread awareness. Our team and partners have continued to meet the challenges of our field and to excel despite setbacks. We should all be very proud of where we are today and excited about where we are headed.

Before I close, I'd like to thank each one of you for attending our conference and bringing your expertise to our gathering. You, as organization leaders, have the vision, the knowledge, the wherewithal and the experience to help us pave our way into the future. You are truly our greatest asset today and tomorrow, and we could not accomplish what we do without your support and leadership. Throughout this conference, I ask you to stay engaged, keep us proactive and help us shape the future of Diabetes Management in India. My respect and thanks goes out to all of you.

Dr. Banshi Saboo

Org. Chairman 'DIACON 2017'

"Once your mind stretches to a new Level it never goes back in its original Dimension"
