# Welcome Message

**Dear Colleague,**

**Endobariarics is an promising emerging field in Therapuetic Endoscopy for treatment of Class I & II obesity (BMI upto 40 kg/m<sup>2</sup>).**

**We have organised one day single theme meeting on endobariarics which will help us to learn together concepts, indications & procedure details of endobariarics.**

**Our global experts in this field have agreed to our request for academic contribution at Ahmedabad.**

**We invite you & wish to meet you on 23<sup>rd</sup> march 2025 at ITC Welcome, Ashram Road, Ahmedabad.**

**Together we take a deep dive to learn in this newer field of endobariarics.**

**Your's truly,  
Dr Yogesh Harwani
