#### FROM THE DESK OF ORGANIZING COMMITTEE

We proudly announce JIC 2020 (January 3-5, 2020) in Ahmedabad, India.

First of all, we would like to thank you for your immense support and active participation in JIC every year.

With each passing year, JIC is strongly identified as a great scientific learning experience.

We do our utmost to deliver interactive, case-based sessions for you to become active participants in the program.

Panel Discussions and Question-Answer at the end of each session go on to create a collaborative and interactive experience for delegates.

This year we have introduced for the first time 'An All Women Clinician Session' to recognise, appreciate and acknowledge the growing role of women in the medical field.

On January 3-4 we have a 'Town Hall Meeting Session' which makes for great interaction and open forum for your questions to be answered.

JIC 2020 has an exhaustive and comprehensive Scientific Agenda with an eminent list of speakers from all over the globe.

We look forward to meeting you at JIC 2020.
