Dear Friends,

Wishing you all a very happy, bright & prosperous New Year. Hope you all have enjoyed Diwali Holidays.

We are happy to welcome you on the occasion of the 17th consecutive NEURO UPDATE on 22nd December 2019. As always, NEURO UPDATE is a joint effort of department of neurology, SVP Hospital (Sardar Vallabhbhai Patel Institute of Medical Sciences and Research); department of Neuroscience, Sterling hospital, along with Association of Physicians of Ahmedabad.

This year, the theme is "Case based learning in neurology". We will have wonderful talks on Hyper Kinetic Movement Disorders, Overview of Stroke Management, Cryptogenic Stroke (ESUS), Neuro Rheumatology, Neurological Infections, Delirium, Dementia, Central Demyelinating disorders, End of life care Pearls; all these from the stalwart Neurologists of India. You will have a chance to learn recent advances from them. We are attempting to focus on practical aspects on these disorders to improve clinical skills.

"A physician who fails to enter the body of patient with the lamp of knowledge and understanding can never treat diseases."
- Maharshi Charak

This is our humble request to come and participate actively in this upcoming of NEURO UPDATE 2019.

Looking forward to meeting you all.

As you are aware, we will be able to accommodate first 250 delegates.

So friends, please take your pen & fill the registration form attached herewith and hand it over to the concerned people as mentioned in the form, right away.

Eagerly looking forward for your valuable participation in making this program highly successful.

P.S. Please co-operate with us regarding the timings, so that we can follow the schedule strictly and can have satisfactory discussion.

The symposium will start strictly at 9:00 am and all delegates are requested to be seated by 8:50 am.

Prof. Dr. Sudhir Shah,
Organizing Chairman

17th Neuro Update : 2019

"Case based learning"
