Dear Member of the APA family,

So here we are, at your doorstep !

We, **Dr. Mustufa Rangwala** & **Dr. Ashwin Gadhvi** are extremely humbled to be coronated as the President & Secretary respectively of the Association of Physicians of Ahmedabad.

The responsibility given to us will be carried out with utmost sincerity & dedication during our tenure keeping in mind the expectation of all the members.

Having said that, we look forward for your whole hearted support from attending the CMEs regularly to increasing the strength by enrolling more & more members.

It is brought to our notice that there is a mind set amongst certain physicians that we do not need to be become a member because we get the privileges without being one ! At present the life membership fee of APA is Rs. 1000/- & this holds true till 31st December. After that with mutual consent, it has been decided to hike it to Rs. 5000/-, a fee matching the status of APA in 2017.

I card will be issued in January & directory will be following soon. The existing members will be soon getting their membership number.

Topics on internal medicine will be focussed more in CMEs to give practical insight & messages to carry home.

At times, more food for thought will be served rather than stomach by switching to mediterranean / simple diet.

A platform to share update for consultant intending to give state of art treatment shall be created on whatsapp strictly for members.

And yes can't forget family. We will try to arrange family programme at short intervals to increase internal bonding.

These thoughts are the result of interaction & discussion with our peer group & your comments, suggestion & criticism are more than welcome. We shall strive to give our best with your cooperation.

Thanks & Regards

Dr. Mustufa Rangwala

President

Dr. Ashwin Gadhvi
